

## Joint League Committee

### Meeting Minutes – March 6, 2009

Joint League Committee held its first meeting at Juniper Hill. Name of committee was determined to be "Joint Ladies Leagues Committee." Joyce Blackwell (WLD) was elected chair and Sandra Shelton (LSL) was voted as co-chair. Susan Goins was named treasurer. Other members present were: Charlotte Nelson, Judy Trigg, Glenda Wardrip and Aggie Hampton (WLD); Charlotte Pyles, Carol Payton and Michele Brown (LSL); absent was Trina Roberts (LSL). First item on the agenda was determining 2009 Ladies Club requirements. Only modification to previous requirements was to add a recommended deadline for the posting of the 3 18-hole scores. Next item was regarding the change in handicap maintenance. Michele Brown advised the committee of her conversation with Raymond Casey on March 4. Raymond advised us the men wanted the women to maintain their own handicaps and provided software he had acquired from KGA. Member database had already been split by KGA for this purpose (men separate from the women). Options discussed: get a donated computer, cost to purchase a new computer, could we get the men to share their internet/phone connection, printer needs for reports and handicap labels. Each member was to research computer costs and/or seek donations. Committee agreed to meet the following week with updates.

*Following the committee meeting on 3/6/09, Aggie Hampton and Michele Brown met with Jim Beirne and Raymond Casey to get more details on the handicap issue. We explained we had limited funds, no computer and no significant notice prior to the season beginning to get all the necessary work completed. They did agree to share the internet/phone connection via their existing router and promised to assist us until we were able to acquire the necessary equipment.*
