Uneven Ground

www.golfexpert.com

When faced with an uphill or downhill lie, it is common for amateur golfers to either hit the ball fat or thin. The mishit is most often caused by an error in the setup position.

Making sure that your shoulders are *parallel to the ground* on which you are hitting from and **not** parallel to the horizon is of the utmost importance. By setting up in this position you are in fact mimicking a flat surface with respect to the body to ground relationship. This allows the lowest portion of the swinging club to be achieved at the ball rather than before or after, and thus reduce the chance of hitting the ball fat or thin.

The **23rd Annual Juniper Invitational** is scheduled for Wednesday, August 20th, at Juniper Hill Golf Course with check-in starting at 8 AM and a shotgun start at 9 AM. The NON-REFUNDABLE entry fee is \$65. For ladies who have a Juniper Season Pass the fee is \$58, and those who have a Season Pass and Cart Lease the entry fee is \$46. The maximum handicap is 40. We will provide a continental breakfast, a tee gift, and a luncheon following play at the Juniper Hill Club House. Prizes will be awarded for 1st, 2nd, & 3rd Low Gross and Low Net in each flight, along with other specialty prizes, such as low putts, longest drive, etc. More information, along with the registration form, can be found on our website: www.jhlgc.org.

Below is a list of ladies that have served on either/both or all - the Late Swingers chairs, the Wednesday Ladies Day League chairs and/or the JHLGC as far back as 2007. As you can see, MANY of them are repeats. If you see a number beside a name that means how many different capacities they were serving AT THE SAME TIME. With the end of the season drawing near, I ask those of you who have never served to seriously think about stepping up and taking on a role in 2015. This doesn't mean that you're all alone, there are lots of these nice ladies to assist you along the way. You can see the job duties at www.jhlgc.org. Grab a friend and take a stance – I'm sure these ladies would love to take a little break.

(If I've left someone out, please forgive me.)

Couples Night – THIS FRIDAY, August 8. Sign up in the pro shop by noon on Friday. Be ready to play at 5ish.

Answer: When a player hits a ball onto the wrong putting green, she is **not** permitted to play the ball as it lies. She **must** take relief, and there is no penalty attached. She must find the nearest point of relief, no closer to the hole, that is not in a hazard. She will drop within one club-length of that point [Rule 25-3b]. Don't feel bad Natalie, we've all been there!

DON'T FORGET – Be good to our course; replace divots, rake bunkers and repair ball marks.
