

COWBOY BEANS

1 LB GROUND BEEF

½ GREEN PEPPER

½ ONION

GARLIC

2 REGULAR CANS PORK AND BEANS

1 CAN MILD CHILI BEANS

1 CUP KETCHUP

1 CUP BROWN SUGAR

Brown beef and add green pepper and onion and cook until tender. Add garlic to taste. Drain. In a crock pot add beef and pepper, onions to 2 cans pork and beans, 1 can mild chili beans, 1 cup ketchup and 1 cup brown sugar. Cook on high for 1 hour, turn to low and cook for 6 hours.

Now what I did and used:

Because of the larger crowd for the golf outing and the fact that I like them beefier, I used 4 pounds of hamburger . The garlic I used was chopped that comes in a small jar. I actually used 6 cans of Pork & Beans and 4 cans of mild chili beans for two crock pots. For just a family outing and 1 crock pot, I use 3 pork and beans and 2 mild chili beans with a little more brown sugar.
