The Miss Dollie is scheduled for Thursday, June 27th. The format will be a scramble with a pot luck and business meeting immediately following play.

Old Business:

At the September 2017 meeting it was voted on to raise the chip-in pot to 50 cents. After much discussion, Teresa Prather made a motion that if someone pays into the chip-in pot, has a chip-in and does not finish their round they are still eligible to receive the pay out of the chip-in pot as long as they CIRCLE the chip-in pot sheet. Donna McNeil seconded. Motion carried.

At of the beginning of the 2018 season, the handicaps are: Division 1: 0-29; Division 2: 30-54. This is always subject to change depending on number of participants.

There will be an additional sign-in sheet for Thursday night. When players sign in on the regular sheet, they need to sign in on an additional sheet signifying whom they are playing with and approximate time they teed off. This will assist other single players in finding a group if they come in alone and need a group.

There was a lengthy discussion regarding the Wildcat (forward) tees. This was tabled for further discussion.

New Business:

The handicap dues for the 2018 season increased by \$3. (These are the dues the league pays to utilize the GHIN system.) JHLGC did not find out this information until the last minute and the league information had already been sent out; therefore, JHLGC decided not to raise the dues for its members for the 2018 season but they will be raised for the 2019 season. This must be voted on in March so Barbara will be sending out a voting email to the members in the near future.

The league asked that everyone to please attempt to add their scores before turning in their scorecards. Everyone needs to also include their name (not nicknames).

Wednesday Ladies Day League schedules away play every month and everyone is invited. Sue Wood, Wednesday Ladies Day league administrator, said she would try to make sure the away play invites were sent to everyone.

Donna McNeil made a motion to adjourn the meeting. Robin Moore seconded the motion. Motion carried. Meeting adjourned at 7:20 pm.

Minutes respectfully prepared by: Teresa Prather
