GHIN Handicap

The United States Golf Association (USGA) develops the formula used to tabulate handicaps for licensed golf clubs, which is the GHIN System. All league members are required to pay a GHIN handicap fee as required by the USGA. Ladies are required to enter all 18-hole scores into the GHIN systems that are played at home or away when playing outside of league events. League scores will be entered into the GHIN system in a timely fashion. New players without a GHIN handicap will be assigned an appropriate handicap based on scores in consultation

with the Juniper Hill Golf Pro until an official handicap can be established. For the 2021 season, a handicap will be established after fifty-four (54) holes of golf are played. A player must play fourteen (14) holes to constitute a round for handicap purposes.

League Start Times, Format and Procedure

At this time due to the COVID restrictions, the league will begin on Wednesday, April 14th with assigned tee times.

Members sign-up each week in advance for the next week’s play to facilitate pairings and tee assignments. To sign-up, contact the league administrator at juniperwedladies@yahoo.com.

The league is making plans for a flighted event one week of the month. In the event the league can host “The Juniper Invitational” this year, the league will play the third Monday of August rather than Wednesday.

Inclement Weather

If the League Administrator, after consultation with the Juniper Hill Golf Pro, determines that the weather is deemed unacceptable for play due to rain, lightning, temperatures either too hot/cold, or other impending weather conditions, league play will be canceled. If any of these weather conditions occur and league play is interrupted, there will be a **maximum** 30-minute delay before canceling competition at which time no winners will be awarded prizes.

Flights

League competition is flighted by handicap based on the GHIN system. The Chair will determine the handicap ranges per flight, but generally the flights are broken down as follows:

Division/Flight	Player Classification	Handicap Range
Division 1, Flight 1	A	0-20
Division 1, Flight 2	B	21-25
Division 1, Flight 3	C	26-35
Division 1, Flight 4	D	36-53
Division 2, Flight 1	Wildcat*	Open (40-54)

*Refer to the 2020 JHLGC Playing Condition Rules under Requests from the Handicap Committee.

Handicap ranges and flights are subject to change depending on the number in each flight. Typically, there should be no more than 16 per flight and no less than 10.

Scorecards

Each member will be provided with a scorecard during league play. Print your name (one name per card) and handicap on the card. Record your score, counting all strokes, including whiffs. Below your hole score, enter your putts. Refer to the 2020 JHLGC Rules concerning attending the flag and putts.

Total your score showing handicap, gross score, net score, and total putts. Date, sign and have another golfer in your group attest your card. Leave the scorecard on the sign-in table. **Improperly completed scorecards will not be considered for prizes.**

Chip-In Pot

A fifty cent (\$.50) chip-in pot will be available when you sign-in for play. If you want to participate, place your money in the chip-in can and sign the chip-in sheet prior to playing. It is your responsibility to circle your name if you have any chip-ins after play on the sheet and indicate the hole(s) you chipped in and record the chip-in on the Ringer Sheet. If you do not complete your round, you will still receive your share of the chip-in pot, but you cannot include the chip-in on your Ringer Sheet. The money collected each morning will be distributed evenly among the winners the following week. In the event there is no weekly winner, the pot will carry over to the next week.

Ringer Sheet

The league administrator will manager the Ringer Sheet for members.

If you play the Wildcat tees temporarily (due to injury or medical reasons), your Ringer Sheet scores MAY NOT be changed.

If the League Chair or Golf Pro cancels play before a player has completed a round or if a player voluntarily stops their play for any reason, the Ringer Sheet MAY NOT be changed. If fourteen (14) holes have been played and play is cancelled, the ringer sheet may be updated for those holes actually played.

The league will have a birdie tree on the bulletin board in the hall near the bathroom. If you have a birdie, you are responsible for writing your name and date on the birdie tree on the appropriate hole and recording it on the "Ringer Sheet."

Weekly Winners, Prizes and Awards

Players must play with another league member to be eligible for prizes who will attest your scorecard. Ladies may only win two weeks in a row. Winners are determined in the following order: 1st low gross, 1st low net, 2nd low gross and 2nd low net. Prizes will be awarded based on a point system and will be distributed at the end-of-the-year awards meeting.

- ***Weekly winners are awarded as follows:***

 - Two lowest net scores (actual stroke total minus the player's GHIN handicap)
 - Ties for low gross or low net will be determined by a scorecard playoff (SCP) starting with the hardest handicap hole played.
 - Duplicate awards will be given in the case of ties for low putts.

League Tournament: The best two rounds, thirty-six (36 holes), of golf in the month of August will be used for league tournament scores. For tournament purposes, handicaps will be based on the first Monday of August revision of the handicap report for the duration of the tournament. Members must have played at least five (5) league days to be eligible to win. A player may win only one (1) prize in the final league tournament.

Wildcat Tees

Refer to the 2020 JHLGC Handicap Rules to determine eligibility to play from the Wildcat Tees. Ladies who are eligible to play from the Wildcat tees use a different scorecard and have a handicap based on those tees. They will play by the same JHLGC rules and local rules. They must declare playing the Wildcat tees at the beginning of the season and will continue to play those tees as defined by the 2020 JHLGC Handicap Rules or Handicap Committee.

Most Improved Golfer Criteria

The USGA Handicap System” manual provides a formula to determine the Most Improved Golfer, which is awarded to a member of the Wednesday Ladies Day League at the end of the year. The dates used for beginning and end of the season are March 1 – October 1. Refer to the JHLGC Rules concerning eligibility for Most Improved Golfer award.

The Juniper

The Wednesday Ladies Day League hosts “*The Juniper Invitational Golf Tournament*” at Juniper Hill Golf Course, which is a one-day event the third Wednesday of August. Entry forms and fees are collected in advance, and The Juniper Chair will organize the event. Ladies must be eighteen (18) years old to participate.

Match Play

If there is sufficient interest, the league will host a Match Play event. Rules for Match Play will be made available before match and can be located on the league’s website at: <http://www.jhlgc.org/>.

In the case of a bye for the week, ladies may participate in regular league play and be eligible for prizes.

- Handicaps will be based on the July 1 revision report for the duration of match play scoring. Handicap allowances are used for match play. The difference in handicaps will be the number of strokes allowed for the opponent. Strokes are given on the hardest handicapped holes of the golf course by use of dots.
- If you receive a bye (free match) or lose a match, you are eligible for weekly league awards for regular play and update your ringer sheet.

- Please notify the League Match Play Chair when rescheduling matches so that assigned tee time can be adjusted, as necessary.
- Brackets will be posted on the bulletin board and results are to be written in by the players.
- Tee times will be assigned and be made available by Friday of each week.
- Official scorecards will be available at the pro shop desk in a folder located with the other league information. After the match is concluded, the scorecards are to be returned to the folder (envelopes are separated by flight).

Remembrance Fund

The Wednesday Ladies Day League will allocate \$3 from your league fees for the Remembrance Fund. This fund is used to send sympathy cards to league members for the death of a sister, brother, or any close relative. A donation of \$50 will be sent to the designated charity for the death of mother, father, husband, or children. If a charity is not designated, a \$50 donation will be made to the Bluegrass Care Navigators, 643 Teton Trail, Frankfort, KY 40601.

Flowers (*approximately \$15 - prices vary for members out of the Frankfort city limits*) are sent to a member requiring surgery (*out-patient or in-patient*) or who is admitted to a hospital.
