MYOF – Make your own foursome

MYOTT – Make your own tee time

**Formats are subject to change. Advance notice and instructions will be provided.**

<sup>1</sup>Season Opener: The Color Game is a dual event. Each person will select a color (red, green, yellow, or blue) and will play your own ball from the Wildcat tees. When you get to the green a color will be on the bottom of the flag stick. Use the player's score with that color for the team score. The second event is flighted based on the total individual's score.

<sup>2</sup>Shamble with a Twist is a 4-person team event. Each player tees off on every hole. Four drives are required from each player. Choose the best drive. Each player plays their own ball from that spot until they finish the hole. Your team score is composed of the individual net score from the player that hit the best drive and the lowest net score of the remaining players on the team.

<sup>3</sup>Point Game is an individual event point system flighted by handicap. Players will receive no points net double bogey or worse, one point for net bogie, 2 points for net par, 4 points for net birdie, 8 points for net eagle, one point for one-putt, one point for hitting the fairway, two points for a chip-in, minus two points for a 3-putt or worse.

<sup>4</sup>Ladies's Match Play: One player plays against an opponent in a head-to-head match. You win a hole by winning a hole with the fewest amount of strokes (with handicap). The winner of the match is the player that is winning by more holes than remain to be played in the round. Each bracket or flight will have up to 8 players.

<sup>5</sup>Ladies' Member/Member is a team of two members of JHLGC. Each 9 holes of golf has a different format (scramble, best ball, stroke play with handicap, and alternate shot).

<sup>6</sup>Frankfort City Championship is sponsored by JHGC Pro, Kirk Schooley. Friday's event is for players 18 and under. The weekend event is open to all ages, members, and non-members.

<sup>7</sup>The Race for the Juniper Cup is a two team event. Team will be assigned by handicap. Each player will play your own ball. Team event is for bragging rights. Flight awards will be given based on individual scores.

<sup>8</sup>The Mixed Member/Member is a team of one female and one male. Each 9 holes of golf, called segments, has a different format (scramble, best ball, stroke play with handicap, and alternate shot).

<sup>9</sup>The Juniper is an 18-hole stroke-play tournament that began in 1991 by the Wednesday Ladies Day League. Players must be 18 years of age. The fee will cover cart and green cart fees, breakfast, and lunch.

<sup>10</sup>This event is sponsored by Kirk Schooley. You don't have to be a member - anyone may play.

<sup>11</sup>This is a men's tournament hosted by JHGA. The JHGA sponsors the Ladies Club Championship (\$1,000). JHLGC members are asked to help with the Governor's. More information will be provided before the event.
